Lakefront Path
Maps to Columbus Drive
(OF2) for bikes &
Very dangerous
Temporary fix -
all bikes and
is now light
peds
Yes
The whole stretch
the drive crossing
Very little room
dangerous for
through here;
to maneuver
the river is
Chicagobikers;
is best
go
Memorial Park
Jane Addams
sidewalk, tourists,
Need to connect
among sidewalks
It merges with
hard to follow
peds, traffic
or continue
deliveries hinder
ramp or LSD.
Transition for
tight path for
bike path;
share;
Ohio to Grand Ave.
Needs an outlet
Connect end of
Congested esp. in
segways, bike
carts, bikers,
walkers, etc.
Many paths
converging-
bikers
lanes under LSD
Create tunnel
with express
LSD)
Improve bike/ped
natural features,
Need for
Lake Shore Drive
of a breakwater
bike lane - more
extend Oak St.
water facility/
straightened
approach to
Grand Ave.
Significant
lakefront
parkland
S-curve;
Make Chicago Ave.
back to
emergency only
traffic light for
North Lake Shore Drive
backups
leads to
Chestnut traffic
Put in
Chestnut exit
Grand Ave.
Eliminate
Eliminate
instead
straighten S-curve
LSD by pushing
underpasses
inner & outer
lanes would
alleviate this,
too crowded
lanes would
